This amendment is in response to the Commission's letter dated July 15, 2009. The voided checks on Schedule B for Line 21(b) were for canvassers who were supposed to provide services for the Committee. The checks were prewritten to individuals, and were intended to be distributed after they completed their work, but these individuals ended up not working, and the accounting firm was not notified that these checks were not distributed until much later. Thus, there were no services provided by these individuals as an in-kind. The voided check on Schedule B for Line 30(b) to Treva Tuto-Anderson was also for canvassing services never rendered. The voided check to Jeffrey Ingram on Line 30(b) was a duplicate paycheck that was never distributed. In processing the payroll for the period ending on July 15, 2008, it was initially believed that Jeffrey Ingram had been left off and, thus not paid through the payroll company. Another check was written to cover this period and printed separately. Once it was discovered on pay day that he had been included in the group payroll, the check was never distributed to the employee, as he had already been paid. The voided check to Meyer Teleservices was for an invoice that was originally paid in error. The payment was made after the receipt of an incorrect invoice from the vendor. Please see the note on the amended April Monthly. The non-federal portion of the voided checks to Ryan Nehring, Clarke County Democrats, Media Com, and Roger Wade Brown, totaling \$374.06, has been transferred to the Committee's Non-Federal Account in July 2009 and will appear on the Committee's August Monthly report. The payment to Alexander Edelman, originally cut in 2008, was voided in May after being outstanding for almost one year. However, in June 2009, the check was presented for payment and was cashed by the bank. Thus, the check appears again on the Committee's July Monthly report and no non-federal portion needs to be moved back to the Non-Federal account. The payments to AT&T were mailed, but lost by the vendor. These then unpaid balances remained on the next billing statement and were eventually paid by subsequent checks. Therefore, there were no in-kinds from the vendor as all outstanding bills were paid. The payments to Aleli Puig and the Gwinnett County Democratic Party were for rent payments on offices that had been closed earlier in the cycle. The checks were cut, but upon discovering that the offices were no longer in use, never distributed. Therefore, no services were rendered for which there would be an in-kind contribution. Payments for Payroll, Payroll Taxes, and Health Insurance on Schedule H4 are for employees who did not spend more than 25% of their time during the period on activity in connection with a federal election. The receipts on Line 17 are for voter file purchases. The prices paid for voter file purchases are established using comparable prices charged by other state party committees throughout the country on a per record cost. The exact price paid to the Committee by each entity is determined by multiplying the per record cost by the number of records provided in the file purchased.
